

ABSINTHE

Infusion Instructions

- 1 Purchase a bottle of Everclear or similar.**
These instructions are intended for base spirits of 190 proof.
- 2 Combine 2 cups (16 oz) of the spirit & 1/4 cup (2 oz) of filtered water in a clean, re-sealable jar.**
If using 151 proof Everclear, use 2.25 cups of spirit. No water needed.
- 3 Add all of Bootleg Botanicals Absinthe base infusion spices (vial #1) and shake, shake, shake. Let the herbs brew for 24 - 48 hours.**
- 4 Add the contents of vial #2 & shake the jar vigorously. Remove the teabag of Wormwood after 1 - 3 hours, or to taste.**
Infuse the remaining ingredients 8 hours or until you are happy with the flavor.

Have fun experimenting and adapting these instructions to match your tastes.

The brew times listed are merely a suggestion.
Feel free to adjust the time to your liking.

- 5 When you are satisfied, filter your infusion into a clean, DRY, dark colored bottle using a coffee filter and funnel.**
It is very important that all bottling utensils be completely dry before filtering your final infusion. Any water will cause your Absinthe to louche (turn cloudy).

The Traditional Method for Enjoying Absinthe:

- Add 1 ounce of your Absinthe to a Pontarlier style Absinthe glass. (*TIP: The bowl at the base of the glass will help you measure the appropriate amount of spirit.*)
- If desired, rest a sugar cube on an Absinthe Spoon atop of the glass. (*Find accessories at BootlegBotanicals.com*)
- Slowly drip 3 - 4 ounces of ice cold water over the sugar until the cube has dissolved. ***Stir and enjoy!***
