

SOME LIKE IT HOT

Infusion Instructions

- 1 Purchase a bottle of Whiskey**
Bourbon or Rye work nicely. *In the 90 proof range.*
- 2 Pour 2-1/2 cups (20 oz) of chosen spirit into a clean, re-sealable jar** (such as a Mason Jar).
- 3 Add one vial of Bootleg's Some Like it Hot infusion spices to the jar, seal and shake.**
- 4 Periodically taste and shake your infusion until you're happy with the flavor.**
Brew your infusion for 2-3 days to obtain the most flavor & spiciness. If you find the blend too dry add sugar to taste. Shake frequently to help fully dissolve the sugar granules.

Have fun experimenting and adapting these instructions to match your tastes.

The brew times listed are merely a suggestion.
Feel free to adjust the time to your liking.

Share your experiments with other mixologists:
alcoholinfusions.com

- 5 When you are satisfied with the flavor, filter your infusion into a clean bottle using a coffee filter and funnel.**

Filtering can take some time. Using a French Press, wire mesh strainer or cheese cloth to perform the initial filtration can help speed things along.
